

Dance Me If You Can Lyrics

Oh-oh-oh-ohh

Uh, uh

Are you sure that you're up for this?

Do you think you can handle it?

It's complicated

You might get frustrated

We got the moves that you never seen

Let me show you just what I mean

There's really no chance

That you can do our dance

Can't keep up, can't keep up, no

Try to keep up, try to keep up, yeah

Can't keep up, can't keep up, no

Oh no, uh-uh, uh-uh

Oh no, show me what you got

Try to follow, watch me now

If you think that you know how

Then dance me (Dance me)

Dance me if you can

Get it together or fall apart

If you think it's not that hard

Then dance me

Dance me if you can (Oh)

Dance me if you can

Dance me

Dance me if you can

I know you think that you're in control

But watch and learn

'Cause this is how we roll

Work it just like this

Let's see you try and do that

What's the matter?

Can't you figure it out?

'Cause you look confused, mixed up, no doubt

There's really no chance

That you can do our dance

Can't keep up, can't keep up, no

Try to keep up, try to keep up, yeah

Can't keep up, can't keep up, no

Oh, oh

C'mon, c'mon

Yeah, yeah

Show me what you got!

Try to follow, watch me now

If you think that you know how

Then dance me (Dance me)

Dance me if you can

Oh, yeah!

Get it together or fall apart (uh-uh)

If you think it's not that hard

Then dance me (Dance me)

Dance me if you can (Yeah)

Ohh

Is that the best that you can do? (Ohh-ohh)

You're gonna have to try much harder (Ohh)

Now's the time to make your move

You know

Hey, hey, get ready!

Hey, hey, let's go!

That's right!

Aww!

La-la-la

Here we go!

Oh!

Huh, what?

Yeah, yeah, yeah

Try to follow, watch me now

If you think that you know how

Then dance me (Dance me)

Dance me if you can

Get it together or fall apart

If you think it's not that hard
Then dance me (Dance me)
Dance me if you can (Whoa)
Everybody wants to win (Wants to win)
If you think you can handle it
Then dance me (Hey!)
Dance me if you can (Hey)

Make it look easy
That's the way (That's the way)
If you think you got what it takes
Then dance me (Whoa, Oh)
Dance me if you can

Dance me if you can!
