

Junior Acting 2021
"Ice Sculpting Contest"

Andrew: Hello everyone and welcome to this year's ice show! *(Applause.)* Let's see who will win this year's ice sculpture contest. What inspired you to make this ice sculpture?

Julia: I've always loved to cheer so I wanted to make a cheerleader. And I love the beach, so I wanted to make a mermaid. I couldn't decide so I made them both.

Andrew: Wow those are great sculptures! But I think they're missing something. Don't mermaids usually have a crown.

Julia: Oh no you're right! But I don't have one.

Andrew: Do you want to try this? *(Puts hat on their head.)*

Parker: Hello I'm a mermaid! I like to swim like this. Oh nooo!!! There's no water here... I can't breathe...

Julia: Quick take the hat off! *(He does.)* Can you try that on the cheerleader?

AJ: Sure.

Layla: Hello I'm Layla the cheerleader. I like to cheer! Give me an I.

All: I

Layla: Give me a C

All: C

Layla: Give me an E

All: E

Layla: What's that spell?

All: ICE!

Layla: What's that spell?

All: ICE!

Layla: Wooooo!

(Andrew takes that hat back and walks over to Jace.)

Andrew: And what inspired you to do these sculptures?

Jace: I like stories so I made little Red Riding Hood and I love cats so I made a big cat called baby tiger. Can you bring them to life too?

Andrew: Both of them?

Jayce: Can you at least try?

Andrew: Ok.

Lydia: Oh, grandma it's nice to see you. I brought you some food.

(Ava Growls.)

Lydia: Oh, you're a little grumpy this morning. Oh, grandma what big eyes you have!

Ava: The better to see you with my dear.

Lydia: Oh, grandma what big ears you have!

Ava: The better to hear you with my dear.

Lydia: Oh, grandma what big teeth you have!

Ava: The better to eat you with!

(Ava starts chasing Lydia)

Jace: Freeze them! Freeze them!

(Andrew reverses the magic and they freeze again.)

Andrew: Woah what a crazy contest we've had so far. *(Walks over to Nethanel.)* What inspired you to make this sculpture.

Nethanel: I like robotics. I want to build a machine that will help the environment by growing more trees.

Andrew: Are you going to want me to bring your sculpture to life too?

Nethanel: Yes please.

Braden Grow more trees. We need more trees. I will plant trees now.

Andrew: I think we might have a winner here!

Nethanel: Wait a second, I think he's gears are melting. He's gonna malfunction.

Braden Trees are bad! Cut down all trees
Destroy all humans! Tree function tree
function.

Julia: We have to do something before he cuts us up!

Jace: Quick let's have the ice sculptures battle him!

(They all come to life, but they are still no match for the robot.)

Lydia: My cookies are melting!

Ava: My sharp teeth are broken!

Parker: I still can't breathe. Oh seaweed!

Layla: I never got to do a cartwheel.

Nethanel: How are we going to stop him?

Andrew: Wait he still has the hat on!

(Andrew takes the hat off revealing a big frozen mess of sculptures still posing from their battle.)

Julia: Wait a second, he changed our sculptures!

Jace: Yeah, this isn't how I made them.

Nethanel: They all look better to me. It's like one big sculpture now.

Julia: Yeah, you're right. It's like they're telling a story.

Jace: And the headline is magic hats lead to epic poses.

Andrew: I think we all won. Let's party.

(Andrew helps the sculpture come back to life and they party together)
