

Just Wanna Dance

Aye aye, aye aye

Tonight the summer heat is burning into me
Whoa oh oh, whoa oh oh
The rhythm of the beat will set my body free
Whoa oh oh, whoa oh oh

And everyone's moving
Everyone's grooving
I wanna not tell you why

Oh eh oh, don't wanna hit the floor
Oh eh oh, were not you anymore
Oh eh oh, I thought inside you knew
I just wanna dance
Just wanna dance here with you

Aye aye, so dance dance
Aye aye, come on dance with me girl
Aye aye, so dance dance
Aye aye, come on dance with me girl

You see her over there that girl is on hey,
hey
Whoa oh oh, whoa oh oh
But I don't even care I only look your way
Whoa oh oh, whoa oh oh

And everyone's moving
Everyone's grooving
I wanna not tell you why

Oh eh oh, don't wanna hit the floor
Oh eh oh, were not you anymore
Oh eh oh, I thought inside you knew
I just wanna dance
Just wanna dance here with you

Aye aye, so dance dance
Aye aye, come on dance with me girl
Aye aye, so dance dance
Aye aye, come on dance with me girl

Yo quiero estar contigo bailando este ritmo
Gozando, disfrutando, lo dicho estar contigo
Sigue, sigue, dale no pares mueve tu
cuerpo hasta que acabe
Mirala, ella no es timida bailando a mi lado
viva la vida

And everyone's moving
Everyone's grooving
I wanna not tell you why
Sing it, come on

Oh eh oh, don't wanna hit the floor
Oh eh oh, were not you anymore
Oh eh oh, I thought inside you knew
I just wanna dance
Just wanna dance here with you

Aye aye, so dance dance
Aye aye, come on dance with me girl
Aye aye, so dance dance
Aye aye, come on dance with me girl
