

Moments We Live For

One, two, three

I've seen this perfect picture in my head
And after drivin' all night now here it is
I can finally feel the sun kissing my skin
And I just wanna take it in, yeah, I just
wanna take it in

Breathing in and out
This is what it's all about

These are the moments, the moments we
live for
Once in a lifetime
Never think we want more
This is the start of the new day, the good life
These are the moments we live for

We'll be the place where the ocean meets
the sky
We're so cute up and now of the time of our
lives
Feel that these memories are on out of a
thing
'Cause we just wanna take it in, yeah, we
just wanna take it in
Yeeeeeah

These are the moments, the moments we
live for
Once in a lifetime
Never think we want more
This is the start of the new day, the good life
These are the moments we live for
These are the moments we live for
These are the moments we live for

Breathing in and out
This is what life's all about
Yeah, breathing in and out
This is what it's all about

These are the moments, the moments we
live for (the moments we live for)
Once in a lifetime
Never think we want more
This is the start of the new day, the good life
These are the moments we live for

These are the moments we live for
(The moments we live for)
These are the moments we live for
