

What Time Is It/Start the Party Mashup

Summer
Summer
Summer
Summer
Summer

[All:]
What time is it?
Summertime, it's our vacation
What time is it?
Party time (woo), that's right, say it loud
What time is it?
The time of our lives, anticipation
What time is it?
Summertime (woo), school's out, scream
and shout

Finally, summer's here (ooh)
Good to be chillin' out (yeah)
I'm off the clock (hey)
The pressure's off (ooh)
Now my girl's what it's all about

Ready for some sunshine
For my heart to take a chance
I'm here to stay, not movin' away
Ready for a summer romance

[All:]
Everybody ready, goin' crazy, yeah, we're
out
C'mon and let me hear you say it now, right
now

What time is it?
Summertime, it's our vacation
What time is it?
Party time (woo), that's right, say it loud
What time is it?
The time of our lives, anticipation
What time is it?

Summertime (woo), school's out, scream
and shout
Let's start, start, start the party

First stop, hit the groove
Let the music play
Next stop, everybody
It's time to celebrate

Here we go, so let your flow show
Make the dreams you got become real
Let's do this, let me hear you, now
Show me how you feel

[All:]
Let's start, start, start the party
Come on, come on, everyone
Let's start, start, start the party
What you waitin' for now?
Start, start, start the party
Come on, come on, live it up
Let's start, start, start the party
I know you never gonna wanna stop

What time is it?
Start the party
What time is it?
Start the party
What time is it?
Start the party
It's what this summer's all about

What time is it?
It's summertime (start, start, start the party)
Let's celebrate, c'mon and say it again now
(what you waitin' for now?)
What time is it?
It's party time (start, start, start the party)
Let's go have the time of our lives

I know you never gonna wanna
C'mon, let me hear you holler
Party's never ever gonna stop, woo
