

IT'S TIME TO TRAVEL!

IMPORTANT DETAILS

JCPA Disney Trip
Flight and Luggage

LUGGAGE + CARRY-ON

LUGGAGE INFO

1 Carry-On (must fit under the seat)

JCPA Performers **MUST** use the bag we give them on 06/22 as their carry-on, as it will have their costume in it.

1 Checked Bag - Must not exceed 50lbs

(Families of infants can also check a pack and play)

**No overhead carry-on bags are allowed on group flights. The only thing you may bring on the flight is a carry-on (purse/backpack) that fits under the seat.

**We will give EVERYONE a colored ribbon to tie onto all of their bags to help organize costume checks, check-ins, and bus loading. There will be 3 groups, and in times of transition, you will always find your group leader which corresponds to your ribbon color.

PERFORMER BAG

When we arrive in Florida, the JCPA performer's backpack that has their costume in it is **NOT** allowed off the bus and into Blizzard Beach. This means that the performer's bathing suit and whatever else they may need in Blizzard Beach should be kept in a guardian's bag.

CARRY-ON - BLIZZARD BEACH

Things everyone will need in their carry-on:

- Bathing suit
- Sunscreen
- Disney Tickets

Performers should keep these things in their parents/guardians' bag.

No one will have access to the luggage until we get to the hotel. So anything you will need for Blizzard Beach should be in your carry-on.
