

Happily Ever After

Brynna: Ready to begin, let the wonder take hold

Kaylee: Feel it draw you in, watch the moment unfold

Brynna+Kaylee: Spark a dream that we're meant to follow

Setting off for a new tomorrow

Emmy: Every step we take, brings a new hope, a new day

Kylee: Every choice we make helps us find our own way

Emmy+Kylee: Every wish that we pull into motion

Diving in with our hearts wide open

The story comes alive, when we look inside

A new adventure there in your life

There in your eyes

It's just beginning

Feel your heart beat faster

Reach out and find your happily ever after

Find your happily ever after

Cammy + Starrli: Now we're on our way

Leave our fears behind us

Jason + Maddy: Not so far away from the dreams that live inside us

All 4: Moving down this road we're chosen

There's no limit to where we're going

The story comes alive, when we look inside

A new adventure there in your life

There in your eyes (there in your eyes)

It's just beginning

Feel your heart beat faster

Reach out and find your happily ever after

Find your happily ever after

Ella: The battles, the stories, the losses and all the glories

Whitney: We're changed by the way we live every day

Ella: Just look up and reach to the sky

Whitney: We all have the courage to fly

The story comes alive, when we look inside

A new adventure there in your life

There in your eyes (there in your eyes)

It's just beginning

Feel your heart beat faster

Reach out and find your happily ever after

Find your happily ever after

Find your happily ever after

Find your happily ever after (oh-oh yeah)

Find your happily ever after
