

## **Send it On**

A word's, just a word, 'til you mean what you say  
And love, isn't love 'til you give it away  
We've all gotta give  
Yeah somethin' to give, to make a change

Send It on, On and On  
Just one hand can heal another,  
Be apart, reach a heart,  
Just one spark starts a fire!  
With one little action  
the chain reaction will never stop!  
Make it strong,  
Shine a light and send it on!

Just Smile, (Just Smile)  
And the world (and the world) will smile  
along with you,  
That small act of love,  
Is meant for one will become two!  
If We take the chances  
To change circumstances  
Imagine all we can do

If we,  
Send It on, On and On,  
Just one hand can heal another,  
Be apart, reach a heart,  
Just one spark starts a fire!  
With one little action  
the chain reaction will never stop!  
Make it strong,  
Shine a light and send it on!  
Send It On!  
(Oh send it on)

And There's Power in all of the choices we  
make,  
So I'm starting now. There's not a moment  
to waste!

A word's, just a word,  
til you mean what you say  
And love, isn't love 'til you give it away

Send It on, On and On,  
Just one hand can heal another,  
Be apart, reach a heart,  
Just one spark starts a fire!  
With one little action  
the chain reaction will never stop!  
Make it strong,  
Shine a light and send it on  
Just one hand can heal another  
Be apart, Reach a heart  
Just one spark starts a fire!  
With one little action  
The chain reaction will help things start  
Make it strong  
Shine a light and send it on  
Shine a light and send it on  
Shine a light and Send it on
